2013 CALIFORNIA DISTINGUISHED SCHOOL RECOGNITION AWARD TO CALISTOGA ELEMENTARY SCHOOL

2014 NATIONAL BLUE RIBBON SCHOOL AWARD TO CALISTOGA ELEMENTARY SCHOOL

KINDERGARTEN TEACHERS PRESENTING AT REGIONAL AND NATIONAL CONFERENCES

“TECHNOLOGY PERMEATES ALL ASPECTS OF THE SCHOOL from student collaboration to student engagement to student culture. The infusion of the technology is elegant.”
FROM CALIFORNIA DISTINGUISHED SCHOOL SITE VALIDATION TEAM AT CALISTOGA ELEMENTARY SCHOOL

“I always thought a kindergarten teacher’s job was to bring the children into our world – to sit still, to raise their hands, to have me tell them how well – or not so well – they are learning. With the iPads, I SEE THEIR NATURAL ABILITY TO BE CREATIVE, TO LEARN INDEPENDENTLY, AND TO SEE THEIR PROGRESS. Now I know I need to let them bring THEIR world into mine!”
PAM RUBEL, CALISTOGA KINDERGARTEN TEACHER

“It’s not about the iPad, IT’S ABOUT WHAT CAN WE DO TO ANSWER OUR QUESTIONS AND WHICH TOOL IN THE CLASSROOM WILL HELP US GET THERE. Every day we’re finding new, creative ways for kids to use them as a tool.”
MARTHA MCCOY, KINDERGARTEN TEACHER AT CALISTOGA ELEMENTARY
